EASY CLEAN

MC-127

GENERAL PURPOSE CLEANER

DESCRIPTION:

EASY CLEAN is the product of choice for effective cleaning of floors and all washable surfaces. EASY CLEAN is formulated with unique chemicals which react with soils and suspend them in solution to prevent re-deposition and provide free rinsing. EASY CLEAN is aggressive on dirt but gentle on the surface.

DIRECTIONS:

EASY CLEAN is a concentrate and should be diluted prior to use. For routine floor cleaning, use 1 to 2 oz. per gallon of water. Apply with mop and rinse. For general cleaning of walls, fixtures, etc., use 1 to 4 oz. per gallon, depending on soil. Because of EASY CLEAN's gentleness on floor polish, it is not an effective stripper. If stripping is desired, use SURTEC's TOTAL STRIP.
