GLASS RESTORATION TREATMENT

GR-828

HEAVY DUTY WINDOW SCALE REMOVER

DESCRIPTION: GLASS RESTORATION TREATMENT is an organic acid based glass restoration cleaner designed to easily remove hard water scale and salt spray buildup from windows. GLASS RESTORATION TREATMENT can be used in combination with SURTEC GLASS RENEW for removal of heavy scale buildup.

DIRECTIONS:

Removal of Minor Scale:

Using a trigger sprayer and a 1:1 solution of GLASS RESTORATION TREATMENT spray dilute solution directly to the glass and scrub using a mild abrasive pad. This procedure should remove the minor buildup of the calcium scale. Repeat as necessary to fully remove scale buildup. Squeegee the solution from the window surface and spray the window with SURTEC 909 GLASS & PLEXIGLAS CLEANER and wipe clean and dry with a microfiber cloth.

Removal of heavy scale buildup from glass surfaces with GLASS RESTORATION TREATMENT and GLASS RENEW combination:

Pre-spray the glass surface with GLASS RESTORATION TREATMENT diluted 1:1 with water, then also spray the solution onto a mild abrasive sponge. Sprinkle SURTEC GLASS RENEW powder onto the pad. Scrub the glass surface with pad until the residue is removed. After cleaning the surface, squeegee the window with a window squeegee and check for results. Repeat as necessary to fully remove scale buildup. When the cleaning solution has been completely removed from the surface, spray the surface with SURTEC 909 GLASS & PLEXIGLAS CLEANER and wipe dry with a microfiber cloth.

SPECIFICATIONS:

COLOR:	Light straw yellow
ODOR:	Mild detergent odor
DILUTION RATE:	1:10 to undilute
METHOD OF APPLICATION:	Trigger sprayer, towel, sponge
pH:	1.3 ± 0.2
HMIS RATING	Health =2 Flammability = 0 Physical Hazard = 0
SPECIFIC GRAVITY:	1.07
FLASH POINT:	None (C.O.C. Method)
DETERGENT TYPE:	Nonionic
V.O.C. CONTENT:	Less than 1%
DENSITY:	8.9 pounds per gallon
SOLUBILITY IN WATER:	100% (hard, soft and/or deionized water)
FREEZE/THAW STABILITY:	Protect from freezing
SHELF LIFE:	Minimum 1 year from date of sale
CONTAINER SIZES AVAILABLE:	4 x 1 gallon jugs
	5 gallon pail
	55 gallon drum

rev. 9/15/11
