## **AIR FRESHENER CONCENTRATE**

### **DESCRIPTION:**

SUR-FRESH is a concentrated air freshener formulated with odor counteracts designed to neutralize and absorb malodors by chemically binding with them, rather than masking them with fragrance. SUR-FRESH continues to bind and react with odor-causing agents even after the spray has dried. SUR-FRESH can also be applied to any washable surface for odor control. SUR-FRESH is biodegradable, non-flammable and contains no alcohol. SUR-FRESH meets all applicable CA Air Resources Board consumer product VOC regulations.

### **DIRECTIONS:**

Dilute SUR-FRESH at the the rate of two ounces per gallon with water. For air freshening, spray in to the air with a fine mist via a trigger sprayer. For treatment of surfaces apply by trigger sprayer adjusted to an appropriate spray setting.
