

TC-99

TC-99
**NON-ACID SCUM AND SCALE REMOVER
 CLEANING SOLUTION BOOSTER**

DESCRIPTION:

SURTEC TC-99 is formulated to remove hard water mineral deposits from a variety of surfaces without the use of harmful acids. TC-99 can be used in restrooms for cleaning toilets, urinals, sinks, and fixtures. It can also be used for cleaning bathtubs and showers, and is ideal for shower rooms.

TC-99 is safe for use on most masonry surfaces, concrete, ceramic tile, porcelain, most metals of construction, and any surface unaffected by water or detergents. Addition of TC-99 to cleaning solutions mixed in hard water often improves the performance of the cleaning solution. TC-99 may also be used to remove water stains from carpet. Always test an inconspicuous area prior to use.

DIRECTIONS:

TC-99 is a concentrate and should be diluted prior to use.

For routine cleaning of restrooms and other hard surfaces, dilute one part of TC-99 with 10 parts of water. For stubborn hard water or rust stains, dilute one part TC-99 with one to three parts water. Apply directly to surface with a sprayer, brush, cleaning pad or cloth. Wipe clean. For stubborn stains, let dwell for ten to fifteen minutes, then scrub and rinse with clean water.

For boosting performance of cleaning solutions, add 4 to 8 ounces of TC-99 per gallon of cleaning solution.

For water stain removal from carpet, dilute with up to 4 parts water. Follow with extraction to remove any residues.

SPECIFICATIONS:

COLOR:	Amber
ODOR:	None
pH:	11.8 ± 0.2 (concentrate)
.....	11.3 ± 0.2 (10% dilution with water)
HMIS RATING:	Health =1 Flammability = 0 Physical Hazard = 0
FLASH POINT:	None (C.O.C. Method)
V.O.C. CONTENT:	None
DILUTION USE RANGE:	1:10 to 1:1
DETERGENT TYPE:	Nonionic/anionic
BIODEGRADABLE:	Yes
SPECIFIC GRAVITY:	1.06
DENSITY:	8.8 pounds per gallon
SOLUBILITY IN WATER:.....	100% (hard, soft and/or deionized water)
SHELF LIFE:	Minimum 1 year from date of sale
FREEZE/THAW STABILITY:	Minimum 3 cycles (A.S.T.M. Test D-3209-82)
PACKAGE SIZES:	4 x 1 gallon jugs
.....	5 gallon pails
.....	55 gallon drums
