GROUT CLEAN

GC-816

GROUT CLEANER FOR THE GROUT RENEW SYSTEM

DESCRIPTION:

The GROUT RENEW SYSTEM is the latest advance in Grout cleaning and restoration technology. GROUT CLEAN, when used in conjunction with SURTEC's TILE & GROUT RENEW cleaning granules will quickly and efficiently restore your grout to like new condition. Because of this new technology, you can avoid costly hand grinding to clean grout or the even more labor intensive task of removal and replacement of the grout.

DIRECTIONS:

Dilute with 2 parts of HOT water for cleaning of most floors. Dilute with 1 part of HOT water for heavy build-up. Apply a liberal amount of cleaning solution to a 10' x 10' section of the floor. Broadcast TILE & GROUT RENEW cleaning granules over the cleaning solution. Machine scrub the floor using a single disk floor machine equipped with a Nylo Grit brush. Ensure that you scrub in all direction. A swivel head scrub pad on a mop handle may be required to reach behind toilets and into hard to reach areas.

Squeegee the dirty solution to the next area and add more cleaning solution and granules and repeat the process until the entire floor is cleaned. Vacuum up the solution residue, rinse the floor and vacuum again.

The floor is now ready for the next step in the GROUT RENEW SYSTEM, application of SURTEC SUPER ETCH. Please refer to the instructions found on that product for proper use.

Because of the strength of GROUT CLEAN, be sure to protect walls, coving, doors, contiguous carpeting, etc. from splashing of the cleaning solutions.

SPECIFICATIONS:

COLOR:	Clear
ODOR:	Citrus
pH:	14.0 (concentrate)
	12.8 ± 0.2 (1:20 dilution)
HMIS RATING	Health = 2 Flammability = 1 Physical Hazard = 0
FLASH POINT:	Greater than 200° F. (C.O.C. Method)
DILUTION USE RANGE:	1:6 to 1:30
DETERGENT TYPE:	Nonionic
SPECIFIC GRAVITY:	1.0
DENSITY:	8.34 pounds per gallon
SOLUBILITY IN WATER:	100% (hard, soft and/or deionized water)
SHELF LIFE:	Minimum 1 year from date of sale
FREEZE/THAW STABILITY:	Minimum 3 cycles (A.S.T.M. Test D-3209-82)
PACKAGE SIZES:	4 x 1 gallon jugs
	5 gallon Twin Pack (2 x 2.5 gal. bottles/box)
	55 gallon drums

rev. 12/10/10
