SURTEC HEPA BAC-PAC-VAC

STANDARD and AIRCRAFT

GREEN
SOLUTIONS
FOR A
CLEANER
ENVIRONMENT

Description

The NEW & IMPROVED Surtec Bac-Pac-Vac is truly a "Green Cleaning Vacuum". It provides efficient cleaning for health and safety without harming the environment.

The Surtec HEPA Bac-Pac-Vac was designed to give the professional cleaner the power of a commercial vacuum in a backpack vacuum that weighs in at 10.4 lbs.

The top fill design on the lightweight, compact vacuum is designed to reduce clogging and optimize performance. This unit utilizes mountaineering-style backpack technology to carry the vacuum comfortably and ergonomically across the hips.
