

# THE SURTEC SYSTEM

## 12 GALLON HOT EXTRACTOR

### Description

Innovative, powerful, clever. "Simply the most innovative extractor ever designed." Is this quote possible? Yes, it's not only possible, it's true! No extractor design has ever incorporated so many advanced features and patented innovations in a single design. We urge you to compare our 12-Gallon Extractor to any competitor. The conclusion is self evident. We're designed, manufactured and assembled in the U.S.A.

### Features

- Auto shut off at full recovery tank
- Recovery tank full light
- Hour meter
- Rotationally molded housing
- CRI GOLD RATING
- Sound diffusing
- Built in solution pump priming
- Lockable casters
- Simple, easy to use controls
