

# THE SURTEC SYSTEM

## SURTEC 17" AND 20" FLOOR MACHINES

### Description

Versatile, powerful and built to last! These workhorse machines with power to spare, deliver top value and reliable, long-lasting performance. Ideal for maintenance contractors, office buildings, schools and universities, healthcare environments, retail stores, malls and more.

### Features

Cast Aluminum and Steel Construction for superior strength and longevity. Welded frame for rugged, reliable performance.

Premium dual-capacitor 66 frame motor for reliability. Triple idler planetary steel helical-cut gear drives

One piece chrome, heavy duty steel handle for optimum durability with variable position positive lock handle for operator comfort and safety.

Dual operating triggers for left or right hand operation with thumb operated safety switch and comfort style vinyl grips for ease of use.

360 degree wrap-around and under snug fit bumper. Non-marking vinyl wheels.

50 foot heavy-duty, yellow safety cord with molded plug for long lasting value. Extra heavy-duty spring steel cord strain relief.
