

THE SURTEC SYSTEM

20" AUTOMATIC SCRUBBER

Description

Pad-Assist Automatic Scrubber

This automatic floor scrubber keeps the weight of your solution consistently in the center of the machine, between the wheels making it easy to maneuver, even in tight situations. A new anti-foam system prevents foam from reaching the vacuum motor, providing greater reliability and extending vacuum motor life. The only automatic walk behind scrubber to come with an extra set of replacement squeegees, for fast replacement if one tears in the middle of cleaning a floor. Features an easy-fill tank and curved squeegee system.

Features

- Simple, easy to use controls
- Intuitive control panel with hour meter and battery capacity display
- Onboard charger
- Rotationally molded housing
- Forward and reverse drive
- H.D. cast aluminum squeegee assembly
- Extra set of squeegee blades on-board
- 3-year warranty parts & labor

Specifications
