

THE SURTEC SYSTEM

SURTEC TURBO DRYER

Description

The ideal air-mover, offering maximum airflow & optimum features while consuming few amps. Maintaining its three position airflow, stacking capability, rugged roto molded housing, and 2-speed, 3-position switch make this one of our most popular selling units.

Features

- High velocity air flow
- Most even airflow
- Low amp draw
- Built-in cord wrap
- Easy grip handle
- Operating positions 3 (0°, 45°, 90°)
- Stackable for storage
